SQL - basic

JavaScript, HTML, CSS - basic

Word, Excel - intermediate

Jira, Git - basic

## SOFT - SKILLS

Hardworking

Good at team communication

Ability to adapt

## LANGUAGES

Croatian C2

English B2

# Dina Gladan

## PROFILE

I am Dina, a third-year student at FESB in Split with a strong interest in programming and learning new technologies. During my studies, I worked on projects in C and JavaScript, and independently improved my knowledge of Python and SQLite, including creating my own projects. I also intend to pursue graduate studies. Opportunities such as development camps or internships that offer hands-on experience and mentorship are particularly appealing to me, as I see them as valuable steps toward becoming a professional software developer. You can visit my GitHub profile to see some of the projects I've worked on.

## EDUCATION

2018 – 2022

1<sup>st</sup> gymnasium, Split

2022 – now

Faculty of Electrical Engineering, Mechanical Engineering and Naval Architecture

## WORK EXPERIENCE

2021 – now

### Tennis Referee

On my free weekends, I referee tennis at tournaments from the HTS calendar.

October 2024 – February 2025

### Demonstrator for Object Oriented Programming (C++)

Throughout the 5th semester, I helped lower-year students with laboratory exercises in the C++ programming language.

February 2025 – June 2025

### Demonstrator for Programming (C)

Throughout the 6th semester, I helped lower-year students with laboratory exercises in the C programming language.
